

SOCIAL GOLF

@ Berwick Montuna Golf Club

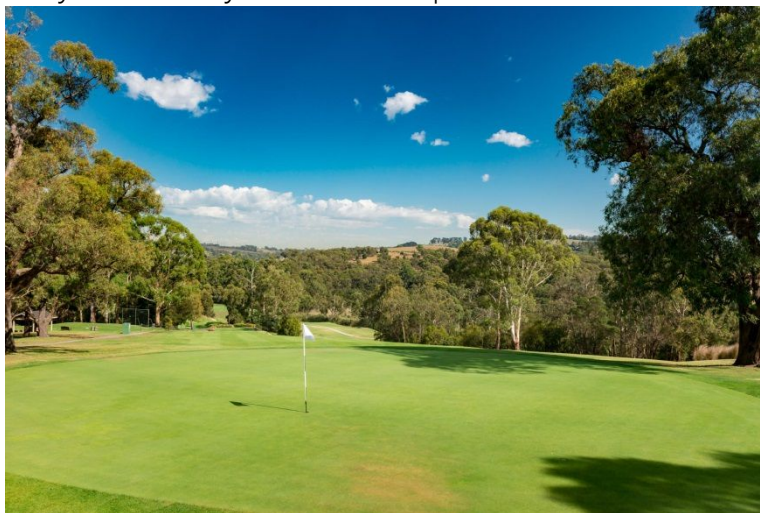

...the ideal choice for your social group...

The golf course...

There are many Golf Clubs around nowadays, but few rival Berwick Montuna when it comes to affordability, friendliness and setting...a serene and picturesque location set on either side of the Cardinia creek, a well-manicured and challenging golf course, a Clubhouse with superb views of the surrounding hills and beyond, and a warm and welcoming atmosphere complemented by a friendly membership and staff...ALL this within a 5 minute drive from the heart of Berwick and easy access from the Monash Freeway...

A sample of the superb views on offer from behind the 18th green

The past few years have seen the Club focus on continually improving the course and its playability all year round. Drainage, the couch re-turfing of fairways and cart path works have been the driving focus for capital improvements. The Club's ultimate aim is to provide a premier playing surface that can cope with golf carts all year round.

Bookings & days of play...

The Club is open 7 Days a week and welcomes Social Groups all year round to enjoy the course and facilities. Group bookings are available well in advance of your intended playing date and can be made for any of the following times during the week:

WEEKENDS

Saturdays after 1.00pm / Sundays before 11.30am or after 12.30pm

WEEKDAYS

Mondays all day / Tuesday to Thursday after 9.30am / Fridays all day

PUBLIC HOLIDAYS

All day

The short Par 3 9th from the tee

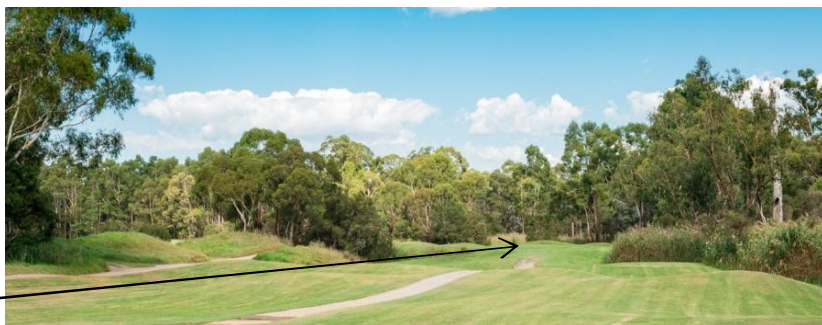

The tough Par 4 14th from the tee

The tricky Par 4 17th from behind the green

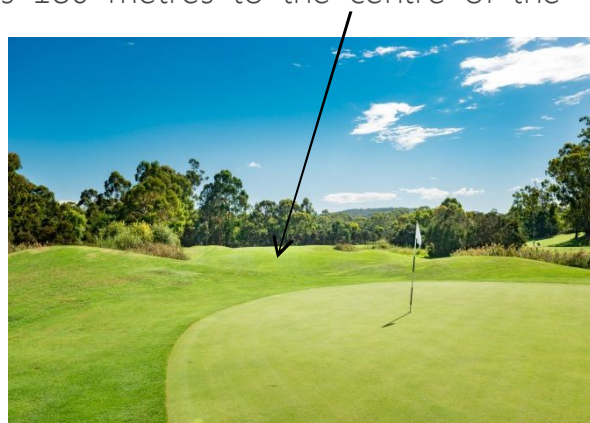

Be challenged by our 10th . . .

The 10th hole at Berwick Montuna is rated in the top 10 holes for public access courses in Australia, and with very good reason. The first thing you notice when you walk on the tee is the tight landing area.

The hole is a sharp dogleg left par 4, with water hazards running the full length of the fairway to the green...from the back markers it is 180 metres to the centre of the fairway on the dogleg...from there a shot of 160 metres will see you in the middle of the green.

For those who wish to take on the corner it will require a well struck shot carrying 190 metres at the right edge or 225 metres on the left edge of the dam. To make matters worse, the adjacent 17th fairway is out of bounds from the 10th tee. Depending on your golfing prowess you may wish to take on some or all of the dam...this is a

high-risk, high-reward hole...bite off more than you can chew and be prepared to walk away with double figures...keep your nerves in check, swing sweetly, and enjoy one of the best par 4's in Australia.

The facilities...
